Building Blocks for Performance

Bobbie Anderson
 with Tracy Libby

Learn the seven essential building blocks that turn a puppy into a highly motivated, enthusiastic, confident performance dog.

Bobbie Anderson is noted for training and showing dogs of several different breeds with these characteristics. Now you can learn to get similar results!

Tracy Libby is an award-winning writer who also has shown performance dogs.

Together, they provide you with step-by-step methods and how-to photographs to help you give your puppy that winning edge.

If you're interested in any type of performance event, don't miss this exciting new release!
